COMPANY PROFILE

# ABOUT US

Marudhara Group Of Companies is a Civil Engineering contracting company, engaged in constructing industrial sheds, storage godown, RCC buildings, office buildings, heavy foundations & Govt work. Overhead water tanks, compound wall, roads, small bridges, and residential apartments also. This company was formed in the year 1997. This company is founded & managed by young civil engineers Mr. Narendra Singh Rathore, having worked Experience with reputed Builders & Developers. Due to our varied technical and commercial resources, we have been able to cater our services to different industries within short span of time. This Company have done many projects in joint venture with reputed contractors & builders.

The company believes in execution of works to the entire satisfaction of the clients in a highly professional & engineering like way with good quality of work. We have a manpower of 900 - 950 people that includes Engineers, Supervisors, Skilled & unskilled labor workmen from different states of India (camping labor).

We can increase the manpower to cope up with your requirement for timely completion of job Charter.

**Mission :**

Marudhara Group of companies is committed to building long-term relationships based on integrity, performance, value, and client satisfaction.

**Vision :**

Marudhara Group of companies is not just a construction company. We are a dedicated team striving to bring growth to our community, helping to maintain existing companies and assist our clients in making their dreams become a reality.

# OUR VALUES

## **People:**

Our greatest asset is our people; from people in the workplace to our clients. We remain true to our founding values of quality, commitment, hard-work and integrity in all our projects, and are proactive in finding solutions for our clients that best achieve their goals. Marudhara Group places great emphasis on attracting and retaining highly-skilled senior and middle management staff. The Company follows a consultative process with its employees at all levels on matters affecting them in their work environment. It is an equal opportunity employer and no discrimination is made because of race, gender or creed. We are also committed to a policy of Affirmative Action whereby the company is charged with the responsibility of uplifting the previously disadvantaged segments of our society and for providing training for our employees so that they can develop to their full potential.

## **Training :**

Marudhara Group places great emphasis on the training and development of all employees. Through our in-house mentorship scheme, the needs of our staff are identified and training programmes implemented in order to effectively develop individual growth and performance. Skills education is facilitated at site level through formal training programmes.

## **Safety, Health and Environment :**

Our mission is to achieve and maintain the highest level of Safety, Health and Environmental control in all areas of the Company's operations. Innovative training and education programs allow us to provide our employees and subcontractors with the tools they need to increase safety and reduce the risk on every project we manage.

## **Quality :**

Marudhara Group quality assurance procedures are comprehensive and fully enforced.
